“My goal is to take the best portrait you have ever seen of yourself!”

– DAN MORENCY

I AM A MAKEOVER PORTRAIT PHOTOGRAPHY BRAND.

Portrait photography has changed so much since the 80's glamour style portraits. Today, it has become more "Fashion Magazine Style". What I offer is a celebrity-style photoshoot experience with fully styled hair, makeup, and clothing however you want to be photographed and whoever you want to be photographed with.

THIS IS A CELEBRITY-STYLE PHOTO SHOOT EXPERIENCE!

WHEN WAS THE LAST TIME YOU WERE PROFESSIONALLY PHOTOGRAPHED?

When you come in for a consultation we will plan and design a photo shoot that you want—that you've dreamed of. My team of professional makeup artists and hair stylists will give you a full makeover and give you any level of glam that you want to be. We have you bring up to five outfits for your photoshoot and help you style them. And, if you do not have five outfits to wear, during the consultation we can style a wardrobe for you from what we offer in our studio.

WHO WOULD YOU LIKE TO BE PHOTOGRAPHED WITH?

Enjoy this photo shoot with your mother, sister, daughter, best friend, husband, or partner. You can plan it as a "Girls Day Out" with champagne and hors d'oeuvres. We can create an incredible shoot for you and your daughters where the guys show up at the end for family portraits. You can share this experience with your Mom and Grandma. I've photograph three and four generations together. And the best part, you can go out that night and "paint the town red" because you are all going to look and feel fabulous!

A luxurious QUEEN FOR A DAY experience !!!

A week or two before your photoshoot, schedule some “me time” to pamper yourself.

This is when you’ll want to start getting ready for your photo session.

Schedule a manicure the day before, make an appointment the week of with your stylist or favourite salon to touch up your hair cut or colour if needed.

These little touch ups can go a long way to making you feel even more confident and camera ready! Gather your wardrobe together or go shopping for something new! Get plenty of rest the night before and arrive to the studio with clean, dry hair and no makeup.

THEN IT’S TIME FOR YOUR MAKEOVER!

Where my makeup artist & hair stylist better known as my “GLAM TEAM” will take you to the exact level of glam you desire.

GETTING READY

How you style your wardrobe depends on the type of portrait session you choose. During your consultation we will talk about what type of portrait session you want, how you want to be photographed and start planing your wardrobe.

There are many options when it comes to getting your wardrobe ready for your portrait session. You can bring in your wardrobe from home and my team and I can style you in the perfect combinations for your shoot. You can rent or buy dresses from online stores. Borrow outfits from your friends or family. You can choose pieces from our in-studio wardrobe collection.especially for you!
